

Let's Count How Much Money We Have!

Add up the dollars and change below and find out how much there is! Write the total amount in the blank line after each problem.

1.      = _____

2.     = _____

3.     = _____

4.      = _____

5.     = _____

Now add all the lines up for a grand total!

What would you use?

Write how many of each are needed to make the amount listed. Do not use more than five \$1 bills or more than five pennies on any problem.

1. \$16.27 ___\$20 ___\$10 ___\$5 ___\$1 ___quarter ___dime ___nickel ___penny

2. \$25.54 ___\$20 ___\$10 ___\$5 ___\$1 ___quarter ___dime ___nickel ___penny

3. \$43.76 ___\$20 ___\$10 ___\$5 ___\$1 ___quarter ___dime ___nickel ___penny

4. \$82.12 ___\$20 ___\$10 ___\$5 ___\$1 ___quarter ___dime ___nickel ___penny

5. \$132.09 ___\$20 ___\$10 ___\$5 ___\$1 ___quarter ___dime ___nickel ___penny
