SPENDING

How would you spend \$1.00? Draw a picture or write a sentence.

\$VALUE OF MONEY

One dollar =

A \$1.00 bill

or 4 quarters

or 10 dimes

or 20 nickles

Here are some other bills that are worth more than a dollar.

WHERE MONEY COMES FROM

What kind of job would you like to do?
Draw a picture.

\$NEEDS AND WANTS

Is it a "need" or a "want"?
Circle the items that
are "needs."

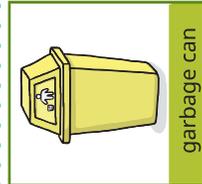

\$AVING

Do not lose your money!
Circle the places where people might put
their money so they do not lose it.

purse

garbage can

credit union

refrigerator

money jar

wallet

piggy bank

washing machine

fireplace

SAVING

Draw a picture or write a sentence
about something you want to save
for and buy.

GIVING

Pretend you have \$10.00. How will
you spend this money to help others?
Draw a picture or write a sentence.

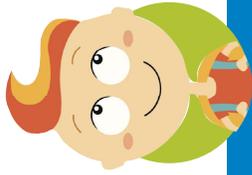

CIRCLE AND COUNT THE COINS

How many nickels did you find?

How many dimes did you find?

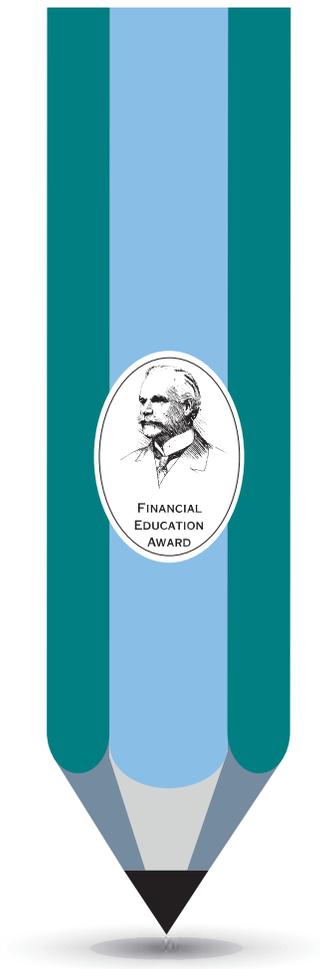

How many quarters did you find?

IT ALL ADDS UP!

Color the correct amount of coins needed to buy each item.

 Pencil Box \$0.80	 Spinning Top \$0.70
 Jump Rope \$1.15	 Pack of Gum \$0.55
 Yo-Yo \$0.95	 Beach Ball \$0.90

Broadview is the recipient of both the national and statewide 2018 Desjardins Youth Financial Education Award (more than \$1 billion asset category).
