

# Youth Learn and Earn at Broadview

Healthy financial habits are built beginning at a young age.

Broadview offers many opportunities for our youth members to earn incentives, attend educational sessions, and engage with the credit union through their schools.

Check out the programs Broadview provides to youth members and schools today because it's never too early to get started on your financial journey!

## Accelerate Youth

Youth members can earn extra money – don't miss out on our Accelerate Youth program!

- Learn valuable skills to enhance financial knowledge and well-being through fun activities
- Earn \$10 for completing a different task every two months
- Cash in up to \$60 per year! Open a youth account and start earning incentives today!

## Broadview in the Classroom

- Grants for educators
- Live and self-paced online financial education lessons
- Rewards to help students build savings
- College Bound financial guidance

**We can even visit your school** and deliver financial education lessons in the classroom that are useful and fun!

Broadview in the Classroom is built for educators to make a direct impact on their students.

Learning about money matters in school can pay off for life. See how Broadview in the Classroom can help.
